## Foreword

Desiring to preserve the various memories of our past four years at Crafton High School, we, the graduates of 1962, wish to present this year's *Ginkgo*. We have divided the following into four major areas in an effort to touch on all of the high points of our school life.

Our dedicated faculty, continually striving to uphold Crafton's high academic standards, has been included first. It is through their guidance that we have reached our present educational and social development. In both appreciation and respect we therefore place our admired faculty among our collection of memories.

Naturally it is imperative that we picture all the members of our class so that we may forever remain together. Along with our class and its outstanding personalities, there are the underclassmen. They, too, have played a part in our life at Crafton High.

A special section has been set aside for all our extra activities—the spires of school life. Memories of our clubs, the chorus, the class plays, and the other various organizations of the school have been captured on these few pages.

Last but not least are sports—the vital spark. Sports have not only added to the variety and color of school but to the character of their participants. They have been an all-around character builder, teaching good sportsmanship and team work.

Faculty, students, our activities, and sports—these work together to make up our history at Crafton High.

# Dedication

We, the Seniors of 1962, proudly dedicate our GINKGO to Mr. Maurice P. Burnsworth, who through our years at Crafton High School has been admired and respected by all for his fairness and honesty in dealing with students.

His casual sense of humor tends to relax the anxious students who seek his aid, and he always takes an attitude of understanding towards them.

He is continually ready to give willing help in matters concerning college, employment, or personal problems. With sincere gratitude the 1962 GINKGO salutes Mr. Burnsworth.

# Board of Education

THE BOARD OF EDUCATION—SEATED: Mrs. Zern, Mr. Shifler, Mrs. Cochran. STANDING: Mr. Johnson, Mr. Johnston, Mr. Erickson, Mr. Jahnke, Mr. Aston-Reese.

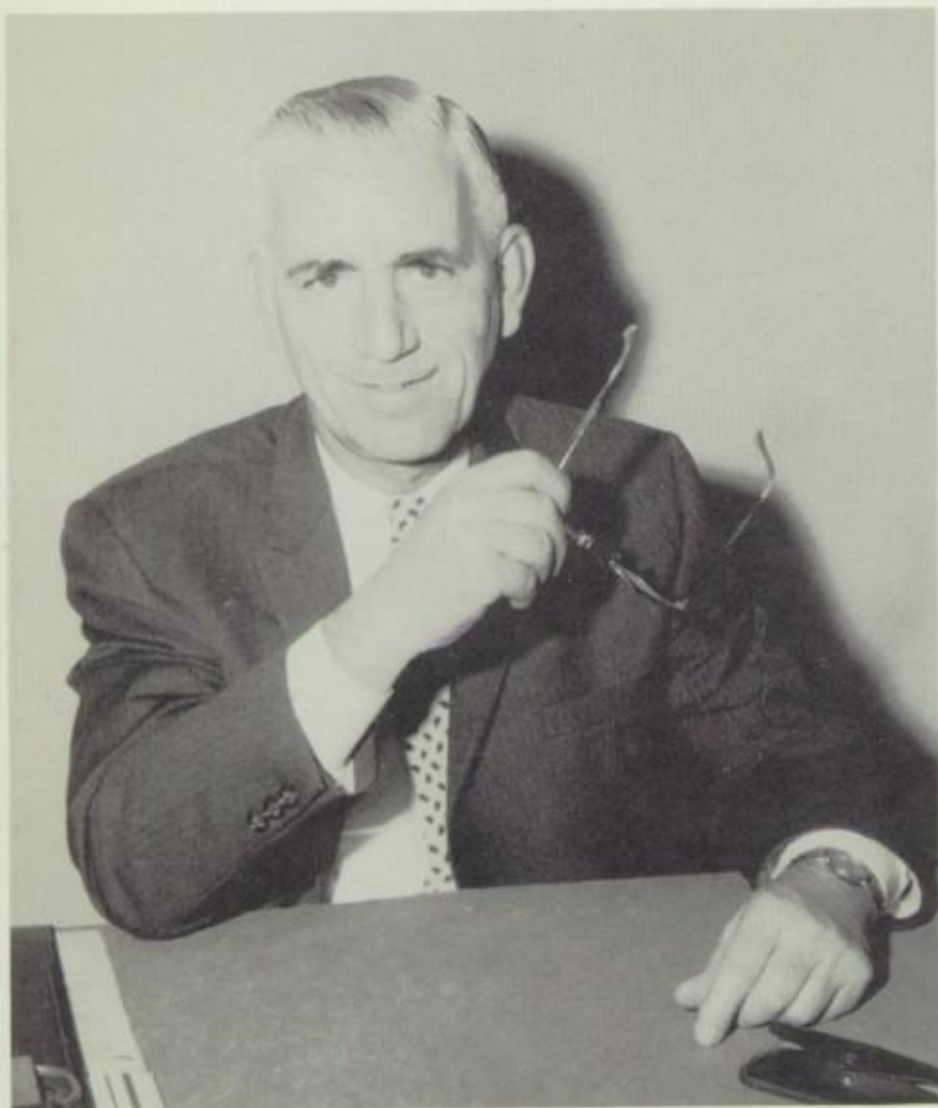

President—MR. GEORGE SHIFLER

The members of the Board of Education led by their president, Mr. Shifler, perform many difficult and time-consuming tasks. They skillfully execute the business of the Crafton school system. They spend much of their valuable time planning for a sound and smooth functioning educational program. These outstanding citizens, who have been elected for their leadership and integrity are dedicated to the task of aiding education.

We owe these people our sincere gratitude for their continuing interest in the welfare of the students and for the many advantages they have provided for us.

# Administration

MR. PAUL L. MAXWELL  
Superintendent of Crafton Public Schools

MR. J. F. GREGORY  
Principal of Crafton High School

Efficiency is the keyword to the success of any administration, and this can easily be seen the way our well-qualified staff smoothly operates the Crafton School system. Mr. Maxwell and Mr. Gregory, through their administrative skill, have solved the numerous problems confronting them. Yet even with the great amount of work and responsibility they have, neither is ever too busy to give friendly advice to a bewildered and anxious student. They are ably assisted in their work by Mrs. Ireland and Mrs. Matlock.

To the entire administration, we express our inadequate thanks for the duties they have so capably performed.

MRS. ISABELLE IRELAND  
*Secretary to the Superintendent*

MRS. MARJORIE MATLACK;  
*Secretary to the Principal*

SENIOR CLASS OFFICERS: Ron Kanuch, president; Klaus Hassack, vice-president; Paula Green, secretary; Joyce Weed, treasurer.

Never has a year passed so quickly as this one. We look back on our Senior Year with wonder that so much excitement could have been crammed into nine short months. Sports began the year, and with the arrival of Football Season came the joy of seeing our boys as the star athletes. Then the arrival of senior pictures and name cards caused a flurry of activity. More days sped by as we devoted our time to the News O'Craft, *Ginkgo*, and our class play, "The House on the Lake." As spring approached, our days were filled with busy preparations for Class Day, the Senior Dinner Dance, and finally, Commencement. Loyal and truehearted  
Let us boost for Crafton High.  
We revere her and defend her  
As her colors proudly fly.  
We will stand for her united;  
Of her deeds we'll gladly tell,  
Her colors streaming,  
Bright faces beaming,  
So here's a cheer for her  
That we all love so well:  
Joyous and ever loyal,  
Let us boost for Crafton High;  
Let every heart sing;  
Let every voice ring;  
There's no time to grieve and sigh.  
It's ever onward, our course pursuing,  
Let defeat ne'er our ardor cool;  
But united we will boost for her—

The faculty advisor was Mr. Perz, and the student directors were Alain Kornhauser and Laura Harris. The applause and enjoyment of the audience made the cast feel that their time and efforts had been well spent.

Finally achieving the right to be called upperclassmen, we reveled in the additional glory. It was a great year, if not the best—the anticipation and success of our own class play, the chaotic, yet precious moments of displaying our “63” class rings, and the glitter and glamour of the Prom, much more brighter to us since finally it was through our own efforts.

Our enthusiasm and spirit swelled even more as we rooted on our own teams, both Varsity and “J.V.,” when we found that this year we were in there fighting with them, no longer spectators, but proud challengers.

Now we settle down with the realization that, in no time at all, we will be seniors and members of the best class yet.

What will the Juniors do next?

Our class play, "In 25 Words or Death" was a mysterious comedy about the winners of the contest "I like Foam-X Because . . . In 25 Words or Less." Spending their prize, an old-fashioned Thanksgiving in New England, these people ran into many strange occurrences, and their prize became an hilarious nightmare.

We wish to thank Mr. Forry for his excellent direction and, also, his student assistants, Dayle Dempsey and John Hulsman.

This year has been a very memorable one for us. We had many novel and exciting experiences in our classes especially biology and public speaking. Even though we worked very hard on our studies, we participated in many of the extracurricular activities at C.H.S. We were well represented on the majorette and cheerleading squads. Mr. Perz has often boasted about the importance of the sophomore chess players, and many of the boys were the stars of the Junior Varsity basketball team. With these pleasant memories behind us we eagerly anticipate our junior year.

# Freshman Class

The "big wheels" of the Freshman Class.

At long last we achieved our goal of entering high school. At first we were confused by our surroundings and wondered if it was really possible to find our way around without getting lost. Soon, however, high school became easier for us. For the first time, we were eligible to elect representatives from our homerooms to voice our opinions on Student Council. Our cheerleaders always encouraged the boys on the junior high team to score another victory. As the "frosh" of 1962, we have spent a most enjoyable and exciting first year at C.H.S.

## Band

This year was one of the best for the Crafton High School Band. During the football season spirited band members and majorettes urged the players on. The majorettes used novel dance routines to add sparkle and gaiety to the half-time shows.

The year was filled with many memorable events such as, ensembles which entertained at the class plays, dances which were sponsored by the Band Parents, and the Annual Band Concert which was held in March. The Band closed out the year by playing for the Baccalaureate and Commencement exercises.

The Band members wish to say farewell to their devoted director, Mr. John D. Small, who has been with the Crafton High School Band for many years. He will be missed by all, and his superb work will always be remembered.

## Chorus

This year's Crafton High School Chorus worked very hard to put on its three highly successful programs. The chorus was divided into two sections: the morning, which met before school, and the afternoon, which was held during the fifth period. Both choruses were combined for the programs. During American Education Week, they presented a sample of their talents for the visitors to the school. In December, the annual Christmas program consisted of many popular sacred and secular seasonal numbers. The Spring Festival was presented the first part of May. The first portion of the program was a concert of various types of music, and the second part was made up of songs from the "Roaring Twenties." The Crafton Chorus has a right to be proud of the way their talents were received.

SOLOISTS: Patty Ryman and Alberta Arbuckle.

The STUDENT COUNCIL members are representatives of the student body. These members are chosen by their home room in order to inspire interest in activities and government of the school. In the fall the Student Council sponsored the selection and crowning of the Football Queen and also held the Annual Football Dance. In the spring of the year, they sponsored the selection of the May Queen. Mr. Kmetz is the faculty sponsor.

The co-editors, Linda Grant and Donald Wheeler, were chosen by the faculty. In being introduced to the complexities of the publishing business, the *Ginkgo* staff soon realized much time and effort must be spent in achieving their deadlines. The consolation came with the publication of the best *Ginkgo* yet.

## Football

The 1961 football season ended unhappily with a record of three wins and six losses. Although the team began the season with what appeared to be a better than average team, the lack of experience accounted for the poor record. The high-spirited coaching staff, Mr. Derrickson, Mr. Kemetz, and Mr. Mellett, always stressed hard, clean play, regardless of the circumstances. Although outscored, the Cougars were seldom outfought.

MANAGERS AND SCOREKEEPERS—FIRST ROW: F. Gallik, W. Smith. SECOND ROW: H. McDonald, A. Kornhauser, J. Powell.

The Crafton Cougars of 1961-62 opened the season by playing for the first time in a tough Class B section. Under the guidance of Coach Paul Kmetz, the Cougars displayed plenty of hustle all season. Their lack of height and experience showed in the final record of three wins and fourteen defeats. Many of the juniors and sophomores, however, were given plenty of chance to gain game experience. Even though the season was disappointing, it ended with excitement as the Cougars lost by only three points to Brad-dock in the new Civic Auditorium.

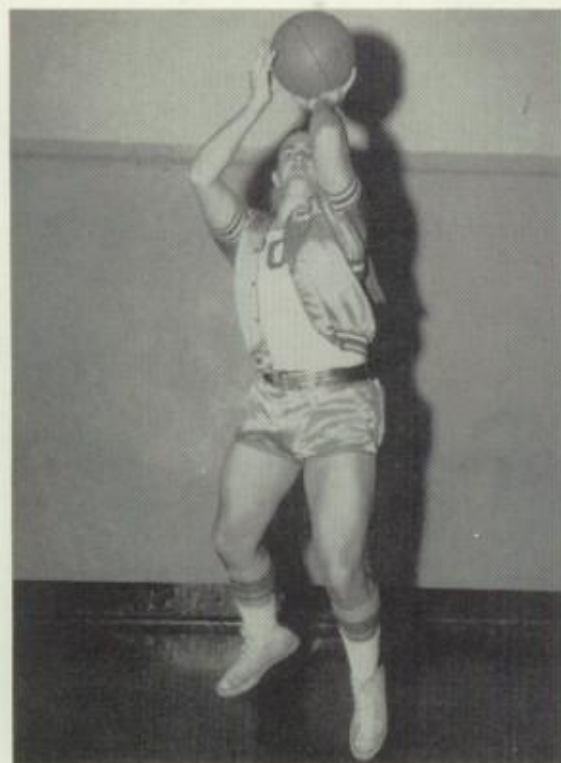

JUNIOR VARSITY TEAM—FIRST ROW: D. Van Asdale, S. Dorfield, D. Sumpter, R. Patterson, L. Kincheloe. SECOND ROW: R. Smith, G. Crown, T. Trebilcock, R. Green.

The JUNIOR VARSITY displayed plenty of hustle in posting an eight win and thirteen loss record. They never quit trying and lost many close games. Doing most of the playing were: Bob Smith, Fred Danzinger, Don Sumpter, Larry Kincheloe, Terry Trebilcock, and Bob Patterson. The latter three saw plenty of Varsity action.

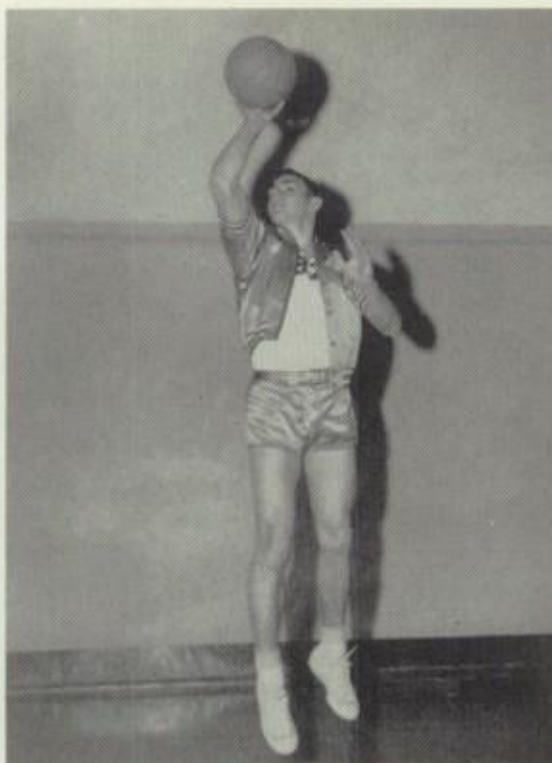

The JUNIOR HIGH TEAM finished their season with a record of three wins and twelve losses. The players, under Coach Derrickson, played hard and executed some very exciting plays. The usual starting five were: Sam Hutchins, Tom Marshall, Tony Williams, Bill Roessler and Barry Gardner.

JUNIOR HIGH TEAM—FIRST ROW: M. Waleski, S. Hutchins, T. Jones, W. Roessler, B. Gardner, A. Daniels, R. Lippman. SECOND ROW: R. Drew, J. Kuncelman, T. Marshall, T. Williams, L. Downing, G. Stewart, W. Carson, Mr. Derrickson.

The prospects of another winning season in 1962 looked good for the Cougar Nine. With the return of five lettermen, Tom Berkhouse, Bob Burgh, Jerry Breen, Wally Lindsay, and Bob Derrickson, and many boys with baseball experience, the Cougars battled for their fourth WPIAL Crown in five seasons. Tom Berkhouse, who had an 8-1 record last season, formed the nucleus of the pitching staff. Under the expert coaching of Mr. Derrickson, the team gave every indication of repeating as section champs.
